Directors Report

New Quick books took up a lot of time due to some glitches

2 New Hires

First class mowing says we are on the books for weeding and tree trimmed

Crane Roll off will bring us totes for garbage as soon as they come in

Computers - Gave up on HP -- Possibly refurbished computers (discussed and decided against this for warranty issues, repair, plus we have the money to purchase new computers) Just going to go to Best Buy and purchase that way we have the Geek Squad if needed .

Need to call Mayor - had to call a plumber twice and feel there is issue with sewer pipes possibly.

Alarm has been switched to the new company

Waiting on the lot to be paved -- we are on the books - Would like to have it done before labor day

3 of the 4 lights have been replaced with brighter bulbs

Motion to accept Joanna

Deanna 2nd

Old business

Discussed upgrade to sign in front -- Now have a quote from RC electric (on install) Original quote came from United -- Nick was going to check on change to RC

Needing to pick up bricks
